4th Annual South Tabor Harvest Festival A Success!

One of the most beautiful parks in the city is right across the street, but residents of South Tabor can't get there. While there is safe and easy access on the West, East, and North sides of the park, the only access for South Tabor is through the dog park at 66th or 68th. Both locations are too steep for bikes or anyone except serious hikers, they are dangerous due to unsupervised dogs, the path is muddy and impassable three seasons of the year, and these back door entrances buried in the trees are dark and creepy. We don't want to wait another hundred years for equitable access so we are gathering interested neighbors and partners who want to brainstorm ideas for making this project happen sooner rather than later. Email MaryLouise Ott at ottzero@gmail.com to get involved!

Information Kiosk Project Approaches Completion

One year later, the STNA information kiosk project is almost complete. Just two more kiosks await installation. Below are locations of all installed kiosks:

- 🕒 59th & Woodward
- 🕒 65th between Franklin & Powell
- 🕒 65th between Taggart & Woodward
- 🕒 Trinity Fellowship Church
- 🕒 71st & Division
- 🕒 71st & Tibbetts
- 🕒 75th between Tibbetts & Franklin
- 🕒 78th & Tibbetts

Be A Block District Captain!

Even a location and date change didn't stop the annual STNA Clean Up from raising needed funds and "greening" the neighborhood. Almost 100 vehicles drove through the event dropping off thousands of pounds of recycling, gently used items and garbage. After fees were and supply costs were accounted for, the net revenue from this event totaled approximately \$2,000. Ben Olsen, coordinator of the event states, "The 2013 Spring Clean Up was a fun and productive event, bringing neighbors together as well as helping STNA achieve a significant fundraising goal."

Division Street Update

Join a STNA Committee

South Tabor has a number of exciting projects and committees underway to advance the livability of the neighborhood. How do YOU want to contribute to your neighborhood? Visit www.southtabor.org to read more about active committees and to get involved.
