Meeting was adjourned at 8:00. Next meeting will be August 16, 7:00 p.m. at a location tba.

For SE Examiner:

The STNA held board elections and continued to meet with District 3 candidates who reached out to us to meet informally with neighbors. Even though neighborhood association elections are over, there are still ways to get involved. We have a couple board positions that we will fill with interim appointees. We're also seeking volunteers to help with our periodic e-newsletter, *The South Tabor Crow*.

Join us to meet your neighbors in person at 7:00 p.m. on the third Thursday of each month. Anyone who considers South Tabor home is a member! For details about meeting locations, to sign up for our mailing list, and to receive our recently re-launched newsletter, visit southtabor.org
